**The Managing Director
Mangalore Electricity Supply Company Ltd,
Corporate Office, MESCOM Bhavan,
Kavur Cross Road, Bijai
Mangalore-575004.**

Madam,

Sub: Clarification on application of Clause 4.02 (iii) of the **"Conditions of Supply of Electricity of Distribution Licensees in the state of Karnataka"** - reg.

Ref: 1) Letter No SEE(Coml)/EE(Coml)/AEE(Coml)/2018-19/7964-73 dated 15.12.2018.

Please refer to your office letter cited at reference (1), wherein it is requested to issue clarification as to whether electrical connections can be released to the structures built for dwelling or otherwise on the particular piece of land, which has only RTC document, treating the same as proof of ownership in terms of clause 4.02 (ii) of the Conditions of Supply.

The RTC issued by the Revenue Authorities, stands for Record of Rights, Tenancy & Crop, which gives information only about the land, tenancy and crop and not about the structure or building.

As per Section 43 of the Electricity Act 2003, every distribution licensee, shall, on an application, ("application" means, the application, complete in all respects in the appropriate form, as required by the distribution licensee, along with all the documents and other compliances) by the owner or the occupier of any premises, give supply of electricity to such premises, within one month after receipt of the application requiring such supply.

Hence, for providing electric supply to the building, all the necessary documents as stipulated in the CoS shall be submitted by the applicant along with the application to make the application complete.

In this regard, I am directed to inform you that, necessary action may be taken as per the requirement of the Conditions of Supply of Electricity of Distribution Licensees, for releasing power supply to the premises.

Yours faithfully,

Secretary

for Karnataka Electricity Regulatory Commission
